RE: CJA's upcoming formal presentation on the active complicity of
the NYS Commission on Judicial Conduct in political patronage
in fiduciary appointments

Dear Ms. Spatz:

To assist your review of CJA's enclosed April 18, 2000 letter to Chief Judge Kaye, whose second paragraph identifies our (March 31st) telephone conversation together and which lists you as an indicated recipient, I am also enclosing a copy of CJA's March 3, 2000 letter to Chief Judge Kaye.

Please advise as to whether you were able to obtain from Mr. Colodner the boxload of evidentiary materials which accompanied the March 3, 2000 letter - as I have received no response from you to my April 17th phone message seeking such confirmation, left on your voice mail. That way I will know whether you are already in possession of documents which are key to CJA's upcoming formal presentation to you as to the New York State Commission on Judicial Conduct's active complicity in political patronage in fiduciary appointments.

Thank you.

Yours for a quality judiciary,

ELENA RUTH SASSOWER, Coordinator
